(the "Recipient")

Data Confidentiality Terms:

- In this Agreement, "**Dataset**" means information, including images, data(sets) and reference standards disclosed by MUV/RUNMC/ERASMUS to "**Recipient**" on Recipient's request or otherwise obtained by Recipient from MUV/RUNMC/ERASMUS in written, electronic, oral, or other form in connection with the **RETOUCH Challenge**.
- As between MUV/RUNMC/ERASMUS and the Recipient, Dataset belongs solely to MUV/RUNMC/ERASMUS.
- The Recipient agrees that the Dataset shall not be disclosed or distributed under any circumstances to persons who are not part of the registered team.
- The Recipient shall use this Dataset solely for the evaluation of fluid detection and segmentation methods through the RETOUCH Challenge and for no other purpose.
- The Recipient agrees to use the Dataset only for the purposes of non-commercial scientific research and will not use the Dataset for any commercial purposes; Where the Recipient is employed by a profit-oriented commercial entity, the Recipient shall make sure that the Dataset is used only for non-commercial purpose and his/her employer shall also be bound by this Agreement. The Recipient confirms that he/she has been fully authorized by the employer before entering into this Agreement.

- The Recipient shall perform its activities in accordance with all applicable laws, regulations, and, if necessary, ethical approvals. The Recipient shall not (re)identify or attempt to (re)identify the data contained in the Dataset.
- The Dataset is provided “as is” and MUV/RUNMC/ERASMUS, including its employees, makes no representation and gives no warranty or undertaking in relation to them. MUV/RUNMC/ERASMUS, including its employees, shall have no liability to the Recipient in relation to the supply of the Dataset to the Recipient or their use or keeping by the Recipient or the consequences of their use, to the maximum extent permitted under applicable law.
- MUV/RUNMC/ERASMUS have the right to cancel or withdraw at any time the authorization granted to the Recipient for the use of Dataset and have the right to request the Recipient to delete the Dataset.

We shall be grateful if you will confirm your understanding and acceptance of the above terms as well as our rules (<https://retouch.grand-challenge.org/Rules/>) by returning a signed copy of this letter.
